05

How do we run your store?

Tik Tok Shop Growth Plan

Disclaimer :

These numbers are estimates not guarantees.

Results may differ.

Numbers and scalability also depend on the clients' capital availability.

What RISKS should you be aware of?

We want to be transparent with you on this information.

Please take note on this.

Tik Tok Store Suspension

- ❖ Main causes for potential suspensions:
 - ☐ Not answering customers on time
 - ☐ Not shipping out products

Product margins fluctuate

- ❖ Seasonality affects demand
- ❖ Certain products sell better or worse during certain times
